IT & Social Media Policy Agreement

Promozione Branding Private Limited
Vardhman Plaza, Sector 3, Rohini Delhi - 110085

Date :

Effective From:
Applicable To: All employees, interns, and contractual staff
This IT & Social Media Policy Agreement outlines the acceptable use of technology, software, internet, social media, and digital communication within Promozione Branding Private Limited. It is intended to ensure security, productivity, and the professional image of the organization.

1. Use of Company Devices

• All devices (laptops, desktops, tablets, mobile phones) issued by the company must be used strictly for official purposes.
• Employees are responsible for the safe use and maintenance of company-provided equipment.
• Any damage or loss must be reported to the IT/HR department immediately.

2. Software & Tools Usage

• Only licensed and authorized software may be installed or used on company devices.
• Installation of unauthorized or pirated software is strictly prohibited.
• Employees must not tamper with system settings, firewalls, or antivirus software.

3. Internet & Email Usage

• Internet access should primarily be used for work-related activities.
• Accessing inappropriate, illegal, or non-work-related websites is not allowed.
• Company email accounts should be used for official communication only.
• Phishing, spam, and suspicious emails must be reported to IT immediately.

4. Data Security & Confidentiality

• All client data, credentials, and campaign materials must be kept strictly confidential.
• Sharing files through unsecured platforms (e.g., personal email, third-party drives) is not allowed.
• Employees must lock their systems when away from the workstation.
• Data backup procedures must be followed as directed by the IT team.

5. Social Media Conduct

• Employees representing the company on social media must maintain a professional tone and brand alignment.
• Any post or comment that may harm the company's reputation is strictly prohibited.
• Do not disclose internal matters, strategies, or client details on social platforms.
• Personal social media usage during working hours should be limited and must not affect productivity.

6. Monitoring & Compliance

• The company reserves the right to monitor all digital communication, device usage, and online activity during working hours.
• Violations of this policy may result in disciplinary action, including termination.
• Regular audits will be conducted to ensure compliance with this policy.

7. Acknowledgment

• By signing this document, the employee agrees to abide by the above-mentioned policies and understands the consequences of non-compliance.
